

Multi-STAR

Interpretation program with compulsory elements

2009-2010 theme : Folk / Country music

Any type of folk/country music or typical dance of a country can be used. For the chosen type, there are no restrictions on the number of musical selections. Although the dance may consist of different musical selections – fast and/or slow – there must be a consistent theme based on a specific country or region.

The arrangement of the chosen music should give a genuine feel for folk/country dance.

The folk/country dance character and style must be translated to the ice by flow and use of edges.

Vocal music is permitted. Variations of tempo within one selection of music are permitted. Each selection of music may have a different tempo.

Costumes : If appropriate for the chosen music, the lady or the man are permitted to wear trousers and sleeves of any length. **Small** props that are part of the costume and are characteristic for the chosen music are allowed (hats, headbands, ribbon). Such props may not be thrown in any part of the program.

The decorations on costumes must be non-detachable. If a decoration or a part of the costume or hair decoration such as flowers, headbands, ribbons, etc (which are also a part of a costume), falls on the ice during the performance, the costume deduction is required.

The following types of props are not a part of the costume and are not permitted : cane (walking stick), umbrella, bouquet etc. If used, the above mentioned deduction will be applied.
